

Leadership, Influence & Team Building

COURSE DESCRIPTION

While it is true that some people are born leaders, some leaders are born during adversity. Often, simple people who have never had a leadership role will stand up and take the lead when a situation they care about requires it. Once you learn the techniques of true Leadership and Influence, you will be able to build the confidence it takes to take the lead. The more experience you have acting as a genuine leader, the easier it will be for you. It is never easy to take the lead, as you will need to make decisions and face challenges, but it can become natural and rewarding.
