

High-Performance Board & Executive Leadership

DISCIPLINE

Leadership and Management

DELIVERY METHOD

In-house

COURSE DESCRIPTION

In this course, the participants understand the typical characteristics of top-performing leaders. At the same time, they learn the art of quick decision making and overcoming indecision & fear. They will learn to develop the leader within and recognize their infinite potential. The course helps them lead by setting a clear vision, earning the trust of the team and guiding them to individual growth, greater performance, and profit. Completing this course help participants communicate the company's mission, vision, and goals so that the entire team is pulling in the same direction. Participants feel comfortable in creating a winning strategy by understanding critical leadership proficiencies and techniques and apply the most effective "coaching" skills to help build an extraordinary team.

COURSE CONTENTS

- Assessments
- Pre-Learning
- The Workshop
