

Leadership Development Optimization

COURSE DESCRIPTION

Effective leadership ability springs from a complex set of interrelated business, personal, intellectual and emotional capabilities. The best leaders seem to evolve and continuously improve on their own, while those with clear development issues often stagnate and never really improve. Leadership Development Assessment (LDA) is an organizational tool for helping managers at all levels become more effective by increasing their self-awareness and self-understanding.

DISCIPLINE

Leadership and Management

DELIVERY METHOD

In-house
